Report of the One Day Seminar Programme on “Indigenous Technologies for Viksit Bharat” to celebrate National Science Day-2024.

With reference to your letter F.No.9(10)/TSCST/3948-70 dated, Agartala, February 23,2024 and F.No.9(10)/TSCST/2024/3971-91 dated, Agartala, February 23,2024, submitting herewith report of the one day Seminar on “Indigenous Technologies for Viksit Bharat” to celebrate National Science Day-2024.

1. **Name of the college:** Adwaitta Malla Barman Smriti Mahavidyalaya, Amarapur
2. **Date of Organising the seminar:** 08/04/2024
3. **Vanue:** Sachin Debbarman Cultutal Hall
4. **Name of the Guest and Resource Person present with designation:**
 - a. Sri Utpal Das, TCS, Grade-II, B.D.O., Amarapur, Gomati, Tripura
 - b. Sri Biswajit Das, PGT, PM Shri DAT H.S School, Amarapur.
5. **Number of Participants:** 192 (151 students, Faculties and staff: 41)
6. **Name of the Convenor:** Smt. Shubha Rani Jamatia, HoD-i/c, Dept. of IT

Today on 08/04/2024, a seminar on theme “Indigenous Technologies for Viksit Bharat” was organised by Department of IT to celebrate National Science Day 2024, an initiative taken by Tripura State Council for Science & Technology in collaboration with Directorate of Higher Education, Govt. of Tripura, Agartala. The main motive of the program is to honour the Nobel prize winner Sir C.V.Raman, a famous Indian Physicist, for the discovery of “Raman Effect” and to create awareness and spread messages to students about the contribution of Science in our daily life and for the development of the society. In this view, resource persons from different fields were invited for the seminar.

The program started with receiving all the dignitaries on the dias and welcoming them with uttariya and a small gift from the college. Followed by lighting the lamp by all the dignitaries present in the program and offering flowers to portrait of Sir C.V.Raman. Next, an opening song was sung by the students of the college.

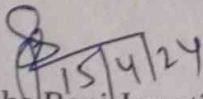

Next, a welcome address was given by smt. Shubha Rani Jamatia, HoD-i/c, Dept. of IT and convenor of the program. She welcomed all the dignitaries present in the program and express thanks to Tripura State Council for Science & Technology and Directorate of Higher Education, Govt. of Tripura, Agartala for taking an initiative for observing National Science Day in 16 no.s of college in all over the Tripura . Then, she briefly explained the importance of observing National Science Day and why it is observed on 28th February. She also discussed about the theme of the seminar “**Indigenous Technologies for Viksit Bharat**” and why this was chosen as theme for the year 2024 by the govt. of India.

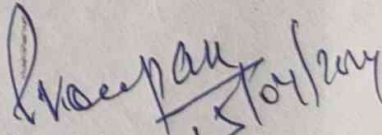

Next speaker, Md. Abul Hossain, Executive Engineer, R.D. Amarpur, explained about the Indigenous technologies and how it can change the economic status of the country as well as the mindset of the scientists associated with it. He explained that how we all are dependent for everything in our daily life on the other countries like China. However if we put effort on our own indigenous technologies then it will motivate our young generations also for the betterment of our country. He told that he feels very happy and proud that nowadays we can see some of the things or items being made in India. He also mentioned that with only observing National Science Day every year it will not serve the purpose of the day but instead we should give efforts for the development of indigenous technologies.

After that, Sri Biswajit Das, PGT Physics, PM SHRI DAT H.S. School, Amarpur, discussed about the life of Sir C.V.Raman and “Raman Effect” for which he got novel prize in the year 1930. He explained that C.V.Raman is the only Indian Physicist who got novel prize in physics and with his contribution he has made our country proud.

Soon after his speech, Dr. Pradeep Kr. Deepak, Principal-i/c, A.M.B.S. Mahavidyalaya, Amarpur, gave presidential address. And in his speech, he discussed about the Viksit Bharat and how indigenous technologies play important roles for the development of the country with vision Viksit Bharat-2047.

At last the program ended with vote of thanks given by Sri Patal Kr. Murasing, Joint-Convenor of the program followed by National Anthem.
